Más información

Ground floor with 1 bedroom and 1 bathroom. It has a terrace. Currently in the final stages of a comprehensive renovation that will be completed in two months, it represents the perfect blend of contemporary design, comfort, and high-quality materials.~~It is located a 5-minute walk from Porto Cristo beach.~~The renovation includes new electrical and plumbing installations, a new roof with thermal insulation, exterior walls insulated with rock wool, porcelain flooring, PVC windows with Climalit double glazing, aerothermal hot water, and a fitted kitchen (no appliances except the ceramic hob).~~The property enjoys a strategic location in Porto Cristo, combining the tranquility of a good residential area.~
