Más información

Located in an idyllic enclave between the charming port of Cala Figuera and the pristine beach of Cala Santanyí, this plot of land is the opportunity you've been waiting for to build the house of your dreams.~~From a first-floor, you can enjoy breathtaking sea views that will make you fall in love. The surroundings are an oasis of peace and tranquility, with the great advantage of being just a few minutes away from Santanyí, with its vibrant market, shops, and restaurants.~~Thanks to its size and current regulations, it would be possible to develop a project and build a house of approximately 500 m², in addition to a swimming pool.~~Don't miss this opportunity to live in an exclusive natural setting in one of Mallorca's most beautiful areas. ~
