Más información

This beautiful newly constructed house in Es Llombards is an architectural gem that is set to be completed by late 2025. Meticulously designed, this project aims to offer all the modern comforts a home can provide. On the ground floor, there is a spacious living-dining area, a fully equipped kitchen, a guest toilet, a garage, terraces for outdoor enjoyment, an exquisitely landscaped garden area, and a pool for moments of relaxation. The first floor hosts three bedrooms, one with an ensuite bathroom, another full bathroom, and a charming terrace. The house boasts high-quality details, including a fully equipped kitchen with top-of-the-line appliances, built-in wardrobes, underfloor heating, and air conditioning, creating an ambiance of luxury and comfort. The property will be delivered turnkey. Located in Es Llombards, just 3 km from Santanyí, this charming village offers some restaurants and basic services, making it an ideal place to live. Furthermore, the most beautiful beaches in the area are just a few minutes away, making Es Llombards increasingly popular among those seeking a blend of village tranquility and quick access to the natural wonders of the region.~
