Más información

It has several living rooms, fully equipped kitchen with dining areas and a spacious dining terrace to enjoy the sunset. All rooms are equipped with heating and air conditioning. The first floor kitchen has access to the main dining room and the terrace dining room. The lower level kitchen serves the large banquet-style dining room and pool dining area. You can appreciate the construction and the first quality materials of the residence without sparing details. The second floor contains the presidential suite with a king size bed, master bathroom with tub and shower, as well as walk-in closets and living room. Two other suites are located on this floor with separate queen size bed areas and their own full private bathrooms. The other bedroom with lounge is located on the lower floor with direct access to the pool area. Outside the residence, the jewel of the property is the jacuzzi pool of 11.00 by 5.50 meters with a shallow area for relaxation and enjoyment of the little ones.~
