Más información

This fabulous house in Ses Salines is the definition of luxury and comfort. Perfect for those looking for a spacious and stylish home in a prime location. Ses Salines is a municipality located in the south of the island of Mallorca, it is one of the most important places in the world. charm that we can find on the island. Its name honours the numerous salt production ponds that are found in the municipality. The Salinas de Sa Vall are located 7 km from Ses Salines, in the Sant Jordi neighbourhood and are considered one of the oldest in the world as they date back to the time of Roman domination. One of the peculiarities is that the salt is still collected in an artisanal way. The coast has beautiful coves and an old port. The village is located on a hill that gives it an exceptional geographical location. From there you can see the seashore and the Island of Cabrera along with its islets.
