Más información

This urban plot is located in a privileged location near the beach of S' Amarador, in the charming municipality of Santanyí, on the island of Mallorca. The plot has an approved project for a house of 230 m² plus basement, which offers an excellent opportunity to build a comfortable and spacious residence. House Features: 4 bedrooms: Suitable for a large family or to rent. 5 bathrooms All-in-one kitchen-living-dining room: An open and bright space that facilitates conviviality and entertaining. Swimming pool: Perfect for relaxing and enjoying the hot days. Garden: A green space to enjoy the outdoors and nature. Garage: For secure vehicle parking. Sea view from the ground floor: A panoramic view that offers breathtaking views of the sea and the Mondragó natural park. Santanyí is a municipality located in the south of Mallorca, known for its natural beauty and rich history. Here are some of the main attractions and beaches in Santanyí: S' Amarador beach: A clean and well-kept beach, ideal for enjoying a day of rest on the sand and the sea. 1. Cala Llombards: A beautiful cove with white sands and crystal clear waters, perfect for swimming and relaxing. 1. Cala Santanyí: An easily accessible cove with parking on the beach, highly recommended for families. 1. Cala s'Almunia: A quiet and hidden cove, ideal for those looking for a more serene environment. 1. Mondragó Natural Park: A natural park that offers a variety of outdoor

activities, including hiking, snorkelling, and scuba diving.~
