Más información

Charming Village House with Medical Center License – A Unique Opportunity! Looking for a versatile property full of character and potential? This two-story village house has it all: 110m² ground floor with an active license for a medical center – perfect for healthcare professionals or a dedicated work-from-home space. The upper floor offers 3 spacious bedrooms, 2 full bathrooms, and a bright, comfortable layout – ideal for families or holiday rentals. Enjoy the outdoors in the private patio, with space to create a cozy garden or install a swimming pool – your personal oasis awaits. Includes private garage – essential for comfort and security. A home that combines living and business in one location, in a peaceful yet well-connected area. Perfect for living, investing, or both! Contact us to explore everything this special property has to offer!~
