Más información

Discover your Mediterranean Sanctuary, just a few meters from the pristine waters of Cala Santanyí and a mere 10-minute walk from the charming center of Santanyí, Mallorca. This idyllic residential project, situated on a generous 525 m² plot, offers a unique blend of tranquility and sophisticated design.~~This exceptional home features an impressive rooftop terrace, a versatile basement, a cozy porch, and a sun-drenched terrace with a private pool. All of this is framed by a beautiful Mediterranean garden, creating your very own peaceful paradise.~~The architecture is a true masterpiece of originality and freshness, characterized by sinuous lines that perfectly merge traditional Mallorcan charm with minimalist elegance. We have carefully incorporated authentic, natural materials such as natural oak wood, continuous flooring, local stone, and lime mortar. The harmonious combination of materials on floors and walls evokes a profound sense of calm and serenity throughout the house.~~Every detail has been considered, with all furniture and lighting included just as shown in the photorealistic images. You also have the flexibility to customize these selections to your liking, ensuring your new home perfectly reflects your personal style.~~Join us on this magical journey to complete your perfect home, here in Mallorca.~
