### Más información

Discover a unique opportunity:  
a rustic plot for sale with approved project and license to build the finca of your dreams.  
Located in a privileged enclave of Santanyí, this property offers unobstructed views that invite tranquillity, and is just a few minutes (only 2 km) from the vibrant town centre, combining the serenity of the countryside with the convenience of having everything within reach.  
Visit the village as well as its famous and original market of local and traditional products.
