Exclusive Renovated Townhouse with Charm and Views in Ses Salines

Welcome to your dream home in the heart of Ses Salines. This impressive townhouse, originally built in 1932, has undergone a comprehensive and high quality reform in 2021, transforming it into a jewel that combines the original charm with modern comforts.

With a constructed area of approximately 200 m² distributed over two bright floors, this property sits on a plot of approximately 150 m². Its captivating natural stone façade is the prelude to an interior where elegance and functionality merge to perfection.

On the ground floor, you are welcomed by a spacious living-dining room with a cosy pellet cooker, ideal for the winters. The open-plan kitchen, fully equipped with modern appliances and top quality finishes, is a culinary space that invites you to create and enjoy, with direct access to the patio. On this same floor you will find a bedroom, a complete bathroom with modern infrared heater, access to the garage, a practical technical room and a small additional storage space.

Up a bright staircase, the upper floor reveals two generously sized bedrooms, each with its own en-suite bathroom (also with infrared heaters) and access to a lovely terrace. From here, you can access the spectacular roof terrace, a true oasis of relaxation with seating area and sun loungers, offering breathtaking panoramic views of the sea and the iconic island of Cabrera, the perfect setting for watching the sunset.

All the rooms in the house are air-conditioned to guarantee maximum comfort all year round. The backyard is a haven of peace with a refreshing private swimming pool, ideal for sunny days.

The property includes a practical garage, a storage room with washing machine and dryer, and is delivered with numerous high quality designer furniture and carefully selected details that create a unique and special living environment. Furthermore, parking is always available in front of the house and the village square is only a five minute walk away.

This house is not just a property, it is a lifestyle in one of the most sought after locations in Mallorca. An exceptional opportunity to acquire a real gem in Ses Salines.
