## Más información

Discover your new home in Santanyí, a charming townhouse that combines traditional Mallorcan living with modern comforts. Built in 2002, this impeccable property on three levels offers a bright entrance hall, living room with access to an interior patio, dining room connected to the exterior, separate kitchen with pantry, a comfortable bedroom and a spacious bathroom on the ground floor. The multifunctional basement can be adapted as a gym, playroom or study. The courtyard has a laundry room, outdoor kitchen and shower. Upstairs, you will find two double bedrooms with access to terraces, a shared bathroom, a single bedroom and an additional room with potential for a third bedroom. Quality finishes, air conditioning, teak doors, double glazed windows and a spacious garage for two vehicles. Privileged location close to the main square, restaurants, markets and beaches such as Cala Llombards and Cala Santanyí.
