Más información

The house has on the ground floor 3 double bedrooms, 2 with bathroom en suite and a separate bathroom. The living-dining room and the open plan kitchen are very bright and overlook the green area and the pool. In the pool area there is a barbecue and an outside bathroom. On the first floor there is a huge bedroom with a big bathroom with bathtub and views to the nature. All rooms and the living-dining room have air conditioning with heat pump. The house has central heating. There is also a separate garage.
