Más información

Welcome to this charming residence in the picturesque Cala Figuera, near Santanyi. Elegantly built in 1942, this 143 m² house exudes charm and authenticity from every corner. Situated on a plot of almost 500 m², this gem is surrounded by a lush Mediterranean garden that adds a distinctive touch to the property. On the ground floor, you'll discover three cozy bedrooms, a well-designed bathroom, and a bright kitchen that blends seamlessly into the living room. From here, an exit to the porch invites you to enjoy relaxing moments while gazing at the garden surrounding the house. Some rooms on the ground floor have their own connection to this green oasis. Climb the stairs and you'll find a unique room, originally used as a painting studio. Thanks to its large windows strategically oriented in all directions, this space is filled with natural light, creating the perfect environment for creativity and inspiration. The plot offers the possibility of building a pool, providing an idyllic place to cool off and enjoy the island's sunny climate. It also has a single-car garage, providing comfort and security for your vehicle. This property features period construction details that make it unique both inside

and out, providing a nostalgic charm that can be restored and enhanced with a renovation that will bring it into the present, incorporating current amenities and trends. Don't miss the opportunity to be the next owner of this house full of history and potential. Come and discover the charm that awaits you around every corner of this property in Cala Figuera!
