Más información

Completely renovated ground floor with great style and attention to detail, with three bedrooms, one with an en-suite bathroom and another bathroom. There's a washing machine, dryer, and water heater, all on a small covered terrace. The kitchen is super nice with a dishwasher and everything you need. The living-dining room is bright and has a small balcony. There are electric radiators, internet, a parking space, and a storage room. Water and community fees are included. A two-month deposit is required, with electricity, internet, and garbage disposal separately. Rentals are not for less than a year.
