Más información

Exclusive development of eight homes located in the iconic coastal town of Colònia de Sant Jordi, where you can immerse yourself in the authentic Mediterranean lifestyle. Located 200 meters from the sea, explore its charming streets and enjoy the best white sand beaches and crystal-clear waters: Es Trenc, Ses Covetes, Llobarç... This exclusive development of eight homes offers two- and three-bedroom options. All options offer outdoor spaces where you can enjoy the wonderful Mediterranean climate. Two ground floors with several terraces and a swimming pool. Three upper floors and three penthouses with upper terraces and private jacuzzis where you can contemplate fabulous panoramic views of the sea and Cabrera Island. Additionally, if you wish, parking spaces and storage rooms are also available on the same property. This project stands out for its strategic location close to the sea and its modern and elegant design. Inside, spacious and bright spaces await you. Taking care of every detail with a selection of top-quality materials, it guarantees an exceptional quality of life for the entire family. Storage rooms and garages are also available upon request. For more information, please contact us.
