Más información

This large urban plot in Es Llombards offers an excellent opportunity to develop a residential project in one of the most peaceful and picturesque areas in southeastern Mallorca. With a total of 3,103 m², the plot is divided into 1,816 m² of urban land, ideal for the construction of several homes, and 1,547 m² of rural land, which provides a natural touch and offers multiple uses. About Es Llombards: Es Llombards is a charming village located in the municipality of Santanyí, known for its peaceful atmosphere and Mallorcan authenticity. Surrounded by rural landscapes and green areas, the area offers a tranquil lifestyle, perfect for those looking to escape the hustle and bustle. Just a few kilometers away are some of the island's most beautiful beaches, such as Cala Llombards and Caló des Moro, as well as the lively weekly market of Santanyí. This plot is not only located in a privileged setting, but also offers excellent potential for the construction of a residential project that takes full advantage of the tranquility and natural charm of the area.
