Tamaño de área	204.00 m <sup>2</sup>

## Más información

This fabulous house in Ses Salines is the definition of luxury and comfort. Perfect for those seeking a spacious and elegant home in a prime location. Ses Salines is a municipality located in the south of Mallorca, one of the most charming places on the island. Its name honors the numerous salt production ponds found in the municipality. The Sa Vall Salt Flats are located 7 km from Ses Salines, in the Sant Jordi neighborhood, and are considered some of the oldest in the world, dating back to the time of Roman rule. One of its unique features is that salt is still harvested by hand. The coast has beautiful coves and an old port. The town is located on a hill, giving it an exceptional geographical location. From there you can see the seashore and Cabrera Island along with its islets. Features: Ground Floor: Entrance Hall Living Room Dining Room-Kitchen Toilet Cellar Garage Laundry Machine Room Garden with pool First Floor: 3 double bedrooms 3 en-suite bathrooms (two bedrooms with dressing rooms) Upper Terrace: Barbecue Small pool Don't miss the opportunity to acquire this impressive property that combines comfort, style and functionality in a charming setting.
